

# LONGBRANCH IMPROVEMENT CLUB

*“For the Betterment of the Community”*

Serving Longbranch and the Key Peninsula South since 1921

Thank you for your interest in the Longbranch Improvement Club (LIC). For nearly a century the LIC has been a foundation of life on the south Key Peninsula: supporting our schools and students; aiding social and charitable agencies; entertaining with dances, concerts, and speakers; and preserving our historic Mosquito Fleet-era marina and magnificent LIC building. The LIC is the front room of our community where friends and neighbors gather to exchange news, views and information. Your participation and interest is heartily welcomed. Please come join us.

The LIC offers two basic memberships: REGULAR and ASSOCIATE.

REGULAR Membership requirements are:

Full or Part Time RESIDENCE in the area from the intersection of Key Peninsula Highway and Lackey Road, south to the tip of the Key.

“RESIDENCE” is defined as a dwelling connected to utilities and a septic/sewer system.

Full payment of Annual Dues (payable with application)

Submission of application form for approval.

Aspiring to be a Qualified Member

ASSOCIATE Membership requirements are:

Submission of application form for approval (no KPS residence requirements)

Full Payment of Annual Dues (payable with application)

Qualified Members are REGULAR or ASSOCIATE members who attend at least three (3) general membership meetings annually and perform a minimum of fifteen (15) volunteer hours for the LIC. All Members are encouraged to be Qualified Members but are not required to UNLESS they wish to be considered for moorage or wish to rent the LIC at the member discounted rate.

ANNUAL MEMBERSHIP DUES (Dues year runs from Jan. 1 through Dec.31.)

REGULAR memberships: INDIVIDUAL, \$40 per year; FAMILY, \$60 per year

ASSOCIATE memberships: \$40 per year
